ROUGH DAY?

TRY THESE 5 STEPS TO GET BACK IN THE GAME!

- 1 Take some deep breaths. Breath in for 5, hold for 5, breath out for 5. Repeat 5 times!
- 2 Talk with a mate, coach, club or team member.
- 3 Get active. Stand up, have a stretch. A quick jog, walk, or even some light exercises can release endorphins, which are natural mood boosters.
- 4 Practice gratitude. Remind yourself of three things you're grateful for. Gratitude can shift your focus from what's wrong to what's right in your life.
- 5 Listen to your favourite tunes. This is scientifically proven to lift your mood!
